Construction Alert – June 2023

## OC SAN HEADQUARTERS PROJECT - BRIDGE DELIVERY ON JUNE 1, 2023\*

OC San's construction of a new Headquarters Building includes a pedestrian bridge across Ellis Avenue, connecting the Headquarters Building to the OC San Plant No. 1 facility.

\*All dates are subject to change due to operational factors or inclement weather.

### About Us

The Orange County Sanitation District (OC San) is a public agency that provides wastewater collection, treatment, and recycling services for approximately 2.6 million people in central and northwest Orange County. OC San operates two facilities – Reclamation Plant No. 1 in Fountain Valley and Treatment Plant No. 2 in Huntington Beach – and treats an average of 180 million gallons of wastewater each day.

### WHAT TO EXPECT

- No parking allowed on Bandilier Circle on June 1, 2023\* (see graphic).
- Access to businesses will be maintained.
- Bridge section will be lifted by a crane from a delivery truck on Bandilier Circle and onto the new headquarters project site.
- Flagger will be on site to help direct traffic.
- Please use caution traveling through the area.

### BACKGROUND

OC San is constructing a new administrative Headquarters Building in the City of Fountain Valley. The project includes a new 3-story office building, surface parking, and pedestrian bridge over Ellis Avenue.

### FUTURE ACTIVITY

Actual placement of the bridge across Ellis Avenue is anticipated to occur in the coming months. More information will be shared as dates and times are confirmed.
